Access to Showers/Bathrooms

Gym Showers

When school is in session, students are able to access showers. UCLA should allow for or create a full shower/bathroom for use, no questions asked for students who may not have access otherwise

Public Restrooms

UCLA should have more accessible restrooms on campus that aren't in locked buildings so there is 24 hour access

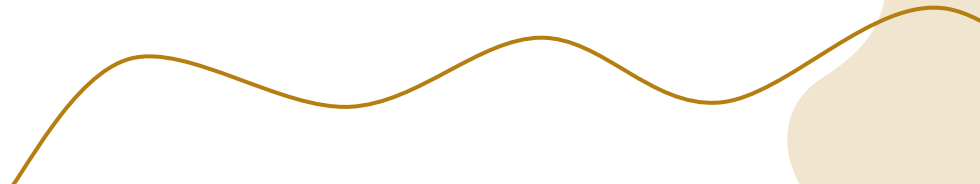

Clothing/Attire

UCLA can offer a thrift store/clothing free closet for students who are struggling and cannot afford new clothes. Clothes can be sold for very cheap, or can be given out on a trading basis.

Pharmaceuticals

At the food bank, there would be great use of free tylenol/advil, midol, period products, etc for students who need them and cannot afford them.

New Year, New Supplies

Students facing homelessness need more affordable school supplies for each coming year. UCLA can offer students who receive financial aid or qualify by other means to purchase pre-made supply packs to cover this need.
